

Plugs into your life.

With a fuel-economy rating of 115 MPGe*, a driving-range rating of 574 miles* and a charge time of less than 1 hour,† the Accord Plug-In is the newest member of Honda's ever-growing electric family. The Fit EV, which achieved an EPA fuel-efficiency rating of 118 MPGe,** is also available for sale and lease in select markets. Get more information or register for updates at fitev.honda.com and accord-plug-in.honda.com.

New Honda Accord Plug-In and Fit EV. **Start something special.**

*115 combined miles per gallon equivalent (MPGe) electric rating; 574-mile combined gas-electric driving range rating. Ratings determined by EPA. Your MPGe and range will vary depending on driving conditions, how you drive and maintain your vehicle, battery-pack age/condition, and other factors. For additional information about EPA ratings, visit <http://www.fueleconomy.gov/leg/label/learn-more-PHEV-label.shtml>. †Using a 240-volt charger only when battery low state-of-charge indicator first displays. **132 city/105 highway/118 combined miles per gallon of gasoline-equivalent (MPGe) rating; 82-mile combined (city/highway) driving-range rating (adjusted). Ratings determined by EPA. Use for comparison purposes only. Your MPGe and range will vary depending on driving conditions, how you drive and maintain your vehicle, battery-pack age/condition and other factors. For additional information about EPA ratings, visit <http://www.fueleconomy.gov/leg/label/learn-more-electric-label.shtml>. ©2013 American Honda Motor Co., Inc.
